

COREY HECK GRAPHIC DESIGNER

Mount Airy, Maryland

(443) 870-1784

falcsbuccs35@comcast.net

www.coreyheck301.com

I want to use my technical and creative skills to design material that people will appreciate and feel a connection with. I want the design to have a deeper meaning to the viewer than just another plain brand that is just thrown out there. I want them to own or wear the design with pride of the product or service it represents.

EDUCATION

Savannah College of Art and Design (SCAD),

Savannah, Georgia

Sept. 2010 - June 2013
